

THE STOCKHOLM PACKAGE

Production Service Package for Film and TV drama producers

ONE PARTNER, ONE PRICE, ONE CONTACT

The Stockholm Package offers studios, scenic solutions and costumes to a fixed price. The offer is aimed primarily for film & TV drama producers who need studios, scenic solutions and costumes for their film or TV productions. The offering is from the three IndependentGroup companies: Studios, Dekor and Kostym.

In collaboration with the producer and creators our production coordinator follows the project. Resources can be moved between the various IndependentGroup companies during the project without any price change.

To take advantage of The Stockholm Package, it requires an order from at least two IndependentGroup companies and a total budget of minimum 500 000SEK excluding VAT.

BENEFITS OF THE STOCKHOLM PACKAGE

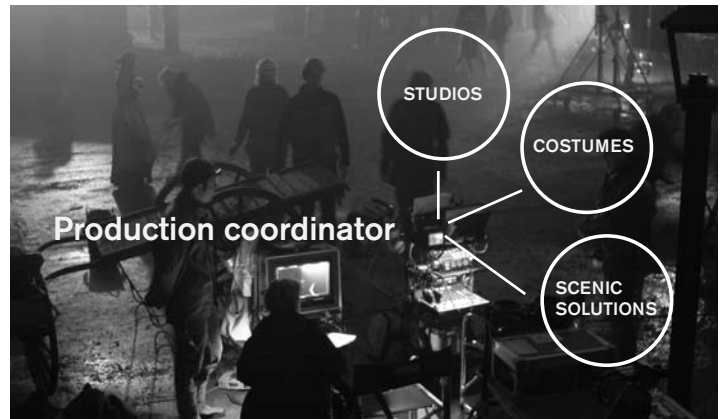

- Our production coordinator offers an easier procurement of studios, costumes and scenic solutions during the project.
- Free access to the production office at Independent Studios.
- Coordination and management of transports between the three companies.
- A fixed price for studios, costumes and scenic solutions.
- Advantageous rates on rental assortment
- Prioritization of resources, in consultation with the producers and creators, increases flexibility throughout the production.
- Smoother logistics - the three companies has worked together for many years.
- Special offers from our external partners.
